

Circle K International

Why Circle K International? Why us? Why now?

Besides being *the largest collegiate community service organization*, dedicated to serving the world through its tenants of service, leadership and fellowship, Circle K International, or CKI, is an organization that is specifically geared for **you** during **your college years**, so you can make the greatest impact on your homes, schools and communities.

Our organization is **student** led, **student** organized and student run, from our international structure to all that is done on the club level. We are responsible for ourselves, and we organize events, socials and service activities that not only help others in need, but bring us closer as a CKI family.

As an **international organization**, we have the support of **thousands of Circle K members** from around the world, including countries such as Norway and the Philippines. At the same time, however, we are also a close community. Each club is able to have a focus on each individual member, so that everyone's leadership potential can be developed.

Circle K International is **geared towards students attending college**. We know you lead busy lives, with classes, work, other clubs and probably more than we can imagine! Our programs, such as UNICEF's Six Cents Initiative, allows us to focus our projects so that you make a difference **without killing your wallet**.

We live to serve, and love to serve. Our clubs do a **variety of service events**, often multiple times a week. And I don't mean just fundraising. We do soup kitchens, park clean ups, walks, animal rescues and much more! We work with children, help with the elderly, paint schools and truly dedicate our lives to making our neighborhoods better, brighter and happier, each and every day.

CKI is **relaxed**, but not **crazy**! The open-hearted, caring atmosphere of Circle K is due to our ability to not only have fun, but to have **fun and change lives**. There are no obligations, you can go to as few or as many service project as you want, and CKI is really here as a tool for you to do service. The possibilities are endless.

Circle K International is part of a **family**. Our organization is a part of the Kiwanis International Family, which means that we have the support of our Kiwanis clubs to help us year after year.

Don't you want to change the world... and still have fun doing it?
Don't you want a college service organization that works for you too?
Join Circle K International. Be part of something greater.
