

Key Club to Circle K

It's not that different!

Both organizations...

- have similar international and district structures.
- hold district and international conventions.
- have a wide variety of volunteer opportunities.
- allow for you to develop your leadership skills.
- give you a home away from home.
- change the world with international service partners.
- let you meet lifelong friends.
- allow you to make a difference in your community.
- make an impact across the globe!

Circle K allows you to continue with the Kiwanis Family with increased independence and flexibility!
