3. Johnny K- What did you think of the speakers
   a) Split, liked some, disliked others

H. Governor’s Project Goal Update

   a) No Second
   b) Motion killed
2. Ryan- Can committee chairs participate in vote on the Governor’s Project goal update?
   a) Greg- In order for that to occur you would need to have voting members at house of delegates vote on it so there is no way to do so now
   b) Johnny K- You can move to allow them to speak on the motion, just not vote
3. Liberty Lieutenant Governor Kristian Mosquito moves to allow all members partake in discussion on the Governor’s Project goal update
   a) Capital Lieutenant Governor Letian Zhang seconded
   b) No discussion
New York District of Circle K International

c) Motion passes with 10 in affirmation, 0 opposed, and 0 abstentions

4. Liberty Lieutenant Governor Kristian Mosquito moves to amend our Governor’s project fundraising goal from $3,000 to $7,000
   a) District Editor Rebecca Lopez seconded
   b) Discussion
      (1) Sayef- doubling our goal doesn’t make sense, thinks $5000 is more realistic that way we don’t get rid of all the progress that has been made so far
      (2) Tyler- goals should not be realistic, we could get to $7000
      (3) Letian- we should be safe and put it at $5000, then if we exceed it, it will look better
      (4) Kristian- doubling from 3 to 6,000 would make sense, we should push it more
      (5) Kate- It makes sense to raise the goal but you are only fundraising for one project. We should encourage supporting our other initiatives as well
      (6) Sayef- doesn’t think we should focus that much on one project, give club's freedom to choose what they are passionate about

c) Motion fails with 2 in affirmation, 7 opposed, and 1 abstentions

5. Southern Tier Lieutenant Governor Nikita Lee moves to amend our Governor’s project fundraising goal from $3,000 to $5,500
   a) Empire Division Lieutenant Governor Jachelle Luma seconded
   b) Discussion
      (1) Tyler- $5,500 is a weird number, might as well make it $6000
      (2) Kate- it will reflect poorly if we change number, one club having one event should not make us change our goal
      (3) Ryan- should change it to $6,630 to nod to the fact that there are still 663 million people without access to clean drinking water
      (4) Kristian- might as well make the goal larger since we have an international project with UNICEF WASH so funds raised for that would count toward Governor’s Project as well
      (5) Julia- shouldn’t raise goal too high because we should also focus on just raising awareness
New York District of Circle K International

c) Western Lieutenant Governor Sayef Iqbal moves to amend the motion to raising our Governor’s Project fundraising goal from $3,000 to $6,000

d) Liberty Lieutenant Governor Kristian Mosquito seconded

e) Discussion

(1) Kristian- it is simply doubling our original goal so it makes sense

(2) Letian- how can you expect other club’s to reach CCNY’s success? You can’t expect all club’s to or want to focus so much on the Governor’s Project

(3) Becca- No guarantee any club can raise as much as CCNY

(4) Kristian- but with about 40 clubs that would ask every club to raise about $100

(5) Julia- Sayef, what changed your mind? Earlier you stated we shouldn’t double

(a) Sayef- Realized a lot of clubs will get involved and Kristian brought up how UNICEF WASH funds could also fall under Governor’s Project

(6) Kate- if we double we only need each club to have one project, which is attainable for any club

(7) Becca- we are already almost halfway through the service year, we have only had one club involved

(8) Ryan- Spoke at Key Club DCON about thirst project and they raised $700 with his help, could that $700 go to our fundraising goal?

(a) Kate- asking if you can report money on behalf of CCNY?

(b) Jack- would say yes since he helped

(c) Becca- but if key club reported it, it would be counted twice

(9) Ryan- would any board member be willing to raise it to $6,630 (as a nod to the 663 Million people without access to clean water) contingent on him being able to report the $700

(10) District Secretary Julia Dressler moves to amend the amendment to the motion to change the Governor’s Project Fundraising Goal to $6,630, contingent on Ryan
New York District of Circle K International

being able to report an additional $700 raised from his talk at Key Club DCON, if not the fundraising goal will be raised to $6,000

(a) Seneca Lieutenant Governor Tyler Reimold seconded
(b) No Discussion
(c) Motion passes with 10 in affirmation, 0 opposed and 0 abstentions

(11) Motion passes with 10 in affirmation, 0 opposed and 0 abstentions

f) Motion passes with 9 in affirmation, 0 opposed and 1 abstentions

         (a) Edgar- could also just take a pic and send it to Kate
      (4) Peony- Can committee chairs get money for travel?
         (a) Edgar- last year committees didn’t use budget so could use budget toward that, some board member normally drives you
         (b) Tyler- there is only so much money to allocate

Summer Board Meeting  Page 11
New York District of Circle K International

(c) Jack- you can already use the money that is allocated to your committee for travel at your discretion
   (i) Kate- just remember you’d be taking money away from committee
(d) Peony- wouldn’t feel comfortable taking money away from Con Con committee
(e) Jack- money would come from the $300 for the committee not the budget toward conventions
   (i) Couldn’t change the budget until next year because it has already been approved but at end of this year let Johnny K know and could potentially add Committee Chair travel to budget

            (iv) Ryan- should charge $15 regular fee, $15 bus, don’t include t-shirts and have them purchase them separately; We could pick up $5 per person since camp charges $20 per person

d) Registration cost
   (1) Liberty Division Lieutenant Governor Kristian Mosquito moves to set registration cost for DLSSP 2017 to $30
      (a) Capital Division Lieutenant Governor Letian seconded
      (b) Discussion
         (i) Sayef- Get rid of t-shirt and reduce the cost
         (ii) Julia- We could have everyone bring their own shirts and we could tie-dye or paint them to save money
         (iii) Peony- Tie-dye and fabric paint wouldn’t work before hand because they wouldn’t dry in time but we could make them later on
         (iv) Kate- Why do we want the t-shirts? Better to lower cost and not have t-shirts at all
         (v) Sayef- People attend because it’s the first event and very cheap; Charging $30 is a huge raise in price
         (vi) Becca- We should still make t-shirts an option
         (vii) Nikita- Could we get enough people to buy the t-shirts?
         (viii) Jack- Pricing is tiered based on how many we order
         (ix) Peony- Advertising it as an extra expense might drive people away from t shirt
         (x) Ryan- Two situations, with grant keep price the same, if we don’t get the grant raise the price
         (xi) Julia- No matter what we should raise the price because if we don’t we will end up having to do a huge increase in price if we don’t get the grant in future years
New York District of Circle K International

(xii) Rich- even with no t-shirts, next year minimum for just the camp is $20
(xiii) Jack- if we get Pepsi grant within this week we can make out price contingent on the grant, otherwise we can't push back registration
(xiv) Ryan- Last year we profited from DLSSP, we should be able to use last year’s money
(xv) Rich and Johnny K- Not how our budget works
(xvi) Nikita- we should charge$20 so we pay camp minimum and make t-shirt optional
(xvii) Sayef- Don’t set t-shirt cost rn until we know the interest
(xviii) Peony- We can make bundles on the registration form, i.e. just registration, registration and t-shirt, etc.
(xix) Rich- What do you think the highest that we can charge without losing interest?
(xx) Kate- If we even put $20 instead of $15 members will wonder if it’s worth it
(xxi) Tyler- No matter how much we increase people will drop
(xxii) Rebecca- In the past hasn't it been $30 without including t-shirt? Technically, we are dropping price compared to past years
(xxiii) Ryan- Circle Kers have short memories; they will only remember how little they paid last year
(xxiv) Jack- It’s not an option to go below $20
(xxv) Allison- Do we have to use their food? we used to bring our own food and it was a lot cheaper; We originally switched to their food because they weren’t buying new food originally and couldn’t keep old food
(xxvi) Ryan- where do extra money that was budgeted for CKIx? Could we use that for DLSSP
New York District of Circle K International

(xxvii) Rich- We save that money for any other expenses we may inquire; also if we bring food we have to cook it

(xxviii) Johnny K- Will they let us cook?

(xxix) Rich- They might not want us in the kitchen; last year they did buy food to feed us in addition to any food they had

(XXX) Jack- If we decide to buy our own food we can have a lower price but in the meantime we need to decide

(XXXI) Rich- Last year they went overboard with food, if we explain we are on a tight budget maybe they could change the price

(XXXII) Nikita- If we buy our own food set at $15, if not $20

(2) Southern Tier Lieutenant Governor Nikita Lee moves to set the price of registration (excluding t-shirt) at $20 with the provision that Con Con Committee, Kiwanis Committee and District Governor Jack Curzon can at their discretion change the price

(a) District Editor Rebecca Lopez seconded

(b) Discussion

(ii) Rich- We could figure out lunch on our own easily

      (ii) Peony- Is it worth it to keep it a secret?

      (2) $9 per room increase
      (3) IF we pay for rooms through Alumni Association we don’t have to pay tax, however we would have to combine cost of registration and hotel
         (a) Should we do this for NYS and DCON?
         (b) Letian- RPI is subsidised for registration and hotel so that wouldn’t help
         (c) Rich- Every school pays differently
            (i) A lot of clubs put in registration and forget about hotel and are then scrambling; Some just want to write one check
            (ii) We need to give options
            (iii) Room prices are different; Some fit more in a room
         (d) Letian- RPI has to book room through their service

Summer Board Meeting
New York District of Circle K International

(i) Rich- Incorrect, all rooms go through him
(e) Ryan- Allow clubs to choose; If schools don’t have tax exempt then they can pay through alumni; We can just have an option on registration that if their school doesn’t have tax exempt they can pay the Alumni Association
(f) Rich- How will schools know how much they will pay? Not all schools have tax exempt
(g) Ryan- We are talking about students paying out of pocket, those are the ones we want to help tax exempt
(h) Rich- More and more people don't have checks which is why we had to go to paypal
(j) Jack- If they would like to pay through foundation we will still have separate payment online; Circle Kers will have to work to find their own roommates and then have one of them pay the price for a full room
(j) Johnny K- Reminder, we are trying to help them save money since we raised price
(k) Rich- Schools are going to pay higher price unless they have tax exempt
(l) Ryan-Students must figure it out and we will only accept full room payments
(m) Becca- We can have form bring to them to separate page and they can choose if they would like to pay with our tax exempt
(n) Rich- Need to have disclaimer on the form stating that if they do not pay through us they will pay tax; Also it’s a plus for us because it will force people to find roommates
(o) Rich- Give option on form for them to state that other person already made room payment
(p) Jack- LTGs will really need to help them find roommates
(q) Jachelle- Is it possible to have an app to help them find roommates?
   (i) Jack- Pretty big project

Summer Board Meeting
New York District of Circle K International

(r) Rich- Whoever pays for the room needs to list ALL roommates, if they don't pay through paypal they will have to reserve on their own

(s) Jack- If it doesn't work for NYS we don't have to use it for DCON; Have concept but will leave to Con Con to flesh out the details
